Mattapoisett Tennis Courts Renovated

Two of the public tennis courts in Mattapoisett just behind Center School were recently renovated with funds provided by the Mattapoisett Community Tennis Association, which is supported by tax-deductible donations. Because the courts have been renovated, the Mattapoisett Community Tennis Association has received a United States Tennis Association Grant. Plans are now going forward for tennis programs for players of all ages.

Kelly Harrington of Mattapoisett, a senior at Old Rochester Regional High School and a member of the school's tennis team, said the team would be grateful for the newly-renovated and desperately-needed courts.

Donald Marvin, also of Mattapoisett, said his deceased father Charles Marvin would be very pleased. The elder Marvin, who was president of the Mattapoisett Improvement Association in the 1940's, was dismayed with the lack of sports programs for youths in town. Charles Marvin got permission and he and others were responsible for constructing the original grass courts at the Hammond Street location on the Center School grounds. They then proceeded to teach children how to play tennis.

Two of the remaining courts are in dire need of renovation ... and more funds are needed. Tax-deductible donations should be made to MCTA and sent to Carleton Burr, Treasurer; 27 Ned's Point Road; Mattapoisett, MA 02739. For more information or to offer volunteer support, please call any of the following Mattapoisett Community Tennis Association officers: President Patricia Arnold (758-6149), Vice President Bob Brown (758-6258), Treasurer Carleton Burr (758-2478), Assistant Treasurer Linda Smith (758-3256), or Public Relations Contact Adrian Lonsdale (758-2360).

ORR Student Attends Medical Forum

Lindsay Moore, a senior at Old Rochester Regional High School, attended the 1999 National Youth Leadership Forum on Medicine from July 4 to 14 in Boston. Ms. Moore, a Rochester resident, was selected because of her outstanding academic achievement and her interest in medicine. Lindsay was among a select group of outstanding high school juniors and seniors from around the world who met the qualifications required to participate in the Forum.

Each summer the National Youth Leadership Forum on Medicine brings together outstanding students in the most medically-advanced U.S. cities where they are inspired by leaders in today's medical profession. The Forum includes visits to such prestigious medical facilities as Harvard Medical School, Beth Israel Deaconess Medical Center, The Dana Farber Cancer Institute, and the Hitchcock Medical Center. Students have the opportunity to examine state-of-the-art diagnostic tools and future

After unanimously approving the minutes of the July 13 meeting, the board signed and approved a proclamation naming October 24, 1999 as United Nations Day in Mattapoissett.

At 7:05 pm the board met with Ken Dawicki of the Conservation Commission (ConCom) and prospective appointee Peter Belanger. "Peter is our recommendation to fill a vacancy on the ConCom," said Mr. Dawicki.

Mr. Belanger has lived in Mattapoissett for the past 15 months with his wife and two children. He has been working with his wife on a 16-acre parcel to turn it into a working organic farm. Mr. Belanger has knowledge and experience with various agricultural and conservation issues and is an avid fly fisherman. "I think with all my interests, I'm a good fit for the ConCom," he said.

With that, the board unanimously voted to appoint Mr. Belanger to the ConCom. "It's always nice to get someone from a professional field to volunteer for the ConCom," Selectman Denham added.

Under outgoing correspondence, Ms. Adams noted that a speed study and evaluation of traffic along

Aucoot Road is being undertaken by the Police Department and Public Safety Officer as per a request from the board; and a reminder has been sent to Robert E. Ringuette regarding the procedure for storing boats from Leisure Shores Marina in the event of a storm or hurricane. This procedure is part of the town's hurricane plan.

Under incoming correspondence for the week, the board received notification from James F. Huntoon, Chairman of the Water/Sewer Commissioners, informing the board that Water/Sewer Superintendent William Nicholson recently completed the Massachusetts Certified Public Purchasing Official Program sponsored by the Office of Inspector General. Mr. Nicholson successfully completed the course with a final score of 93.

Resident Marylou Newell-Coderre sent a letter urging the board to consider restricting the use of Ned's Point to both resident and non-resident sticker parking. Ms. Newell-Coderre is concerned that the area is being used mostly by non-residents, who are causing a nuisance at the site.

"It's the one place we have ... for people from out of town to use," Selectman Denham said. "Most people just sit there and enjoy the view. I went down there twice last weekend ... there were the odd cookouts going on, but nothing that isn't permitted."

"I'd hate to be seen as the town that locks people out," Chairman Lambalot agreed. "Why don't we try to monitor (the area) for a couple of weeks to see if there are any problems?" The board agreed to ask the Police Department check in from time to time to make sure there aren't any violations of the town by-laws.

Notification was received that a hearing will be held on Thursday, August 5 at 7:00 pm at the Pulaski Elementary School in New Bedford regarding the change of control from MediaOne to AT&T. Ms. Adams noted these regional hearings are being held so the individual communities serviced by MediaOne wouldn't have to hold their own hearings.

Fire Chief Ronald Scott sent the board a copy of the memo he sent to all boat owners regarding marine fueling. Chief Scott wished to inform all boat owners that the Mattapoisett Fire Department will enforce all Commonwealth of Massachusetts Regulations on marine fueling. Violators of Massachusetts General Law Chapter 148, Section 15 can be punished with a fine of up to \$1,000, up to one year in prison, or both.

At 7:25 pm the board met with Joseph Slattery to discuss funding for the GIS system and present an update on the emPOWERment group. Mr. Slattery first advised that the town has a contract with the Buzzards Bay Project (BBP) for a \$7,500 grant to fund the digitizing of town maps for the GIS computer system. "But, we have to spend the money first and get reimbursed for the \$7,500," he said. An article will be placed on an upcoming Town Meeting warrant to fund this project.

Regarding the emPOWERment coalition, Mr. Slattery explained that they have signed a compact with

SUMMER HEAT

What can I do to make my dog more comfortable in the hot weather?

Leave your dog at home when you do errands. If you must take him in a car, leave the air conditioning on or the windows open, especially if you need to park. A closed car gets very hot very fast. Always have plenty of fresh cool water available. Walk your dog early in the morning or later in the evening when it is cooler.

Are certain breeds more susceptible to heat induced problems?
Yes. Dogs with short noses like bulldogs, pugs, Boston Terriers and Lhasa Apso's. These dogs have trouble breathing under the best of circumstances. When it is hot and they pant to cool themselves, they may experience swelling of their throats, making breathing even more difficult.

How can I help my dog when it is hot and he is panting hard?
Help him cool himself. Put him in an air conditioned room, wet him down and blow a fan over him, or let him chew ice cubes.

seven area communities to seek the least expensive vendor for regional electrical service. At this point, they feel they are going to need the services of a consultant to prepare a Request for Proposals (RFP) to solicit vendors.

"The consultant will allow us to prepare an RFP ... and the proposal will also pay for their consulting services," Mr. Slattery said. He estimated that a consultant would cost between \$13,000 and \$18,000, and the participating towns hope to place articles — which will be drafted by emPOWERment — on their upcoming Town Meeting warrants to fund this expense.

At 7:50 pm the board met with Robert H. Atkinson, Library Trustee and Building Committee member, to discuss plans for the future expansion/renovation to the Mattapoisett Public Library. Mr. Atkinson explained they will be going out to bid this fall for the project, with a total estimated cost of over \$1 million — 45 percent of which will be funded by the state, and 55 percent through a private fund drive.

"We had assumed all along we could do our private fund-raising out of the trust funds we have," Mr. Atkinson said. "But we wanted an opinion from Town

With that, the board unanimously voted to allow the Library Trustees to use \$8,000 from the Ripley Harding Trust Fund for the purpose of raising funds for the expansion project.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:00 pm.

Rochester Selectmen's Meeting

July 26, 1999

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 26 at 7:00 pm by Chairman Richard D. Cutler. Also present were Selectman Naida Parker, Selectman Patricia Ryan, Executive Secretary James Huntoon, and Administrative Assistant Veronica Lafreniere.

After approving the minutes of the July 12 meeting with some amendments from Selectman Ryan, the board met with Jack Ayers, Chairman of the Police/Communications Building Study Committee, at 7:05 pm. Mr. Ayers said his committee held one final meeting and voted to appoint James Crook as their representative to the final Police/Communications Building Committee.

The board wished to thank Mr. Ayers and his dedicated committee for all the work they've done and unanimously moved that a letter of appreciation be sent to each member. They also voted to officially disband the "study" committee since the newly-appointed building committee would now oversee the design and construction phase of the project.

On that note, Mr. Huntoon advised that they've advertised for contractor proposals for the project which will be due by 12:00 noon on September 2. A pre-bid conference has also been scheduled for August 5. "We're moving right along," Mr. Huntoon said.

At 7:10 pm the board met with resident Paul

Gonneville, who had some concerns over a neighboring business. Mr. Gonneville explained that he's lived on Neck Road across the street from the current Sunnynook Farms for many years. The property used to be owned by Max Lawrence Sr. who sold hay, feed, and occasionally slaughtered steer. When Mr. Lawrence passed on, he left the business to his son, Max Jr., who has now changed the focus of the business to concentrate on the selling of loam, mulch, and wood chips for landscaping.

Mr. Gonneville feels the increase in hours and change in business operations has affected his and his wife's health and the seven-days-a-week work schedule is a disturbance.

"With the new business, the traffic has been horrendous," Mr. Gonneville said. "I'm not trying to shut this guy down, believe me. But I feel he's causing a nuisance. As a taxpayer, I think I have the right to live my life healthy. We hear front-end loaders from morning to night ... he's operating right under my front window. I'd like to see (the board) regulate that business a little bit."

The board sympathized with Mr. Gonneville's concerns, but advised that they need to determine the specifics of Mr. Lawrence's business before they could take any action. "Why don't I go do a little fact-finding and talk with Mr. Lawrence to see if we can't solve this?" Mr. Huntoon suggested. "I understand your concerns, but he's a taxpayer, too."

Selectman Ryan also suggested that Mr.

Gonneville put his concerns in writing along with a sequence of events so that they might schedule a meeting with Mr. Lawrence at a later date. "I have questions about whether that's (still) agricultural use or not," Selectman Ryan said of the change in business. With that, the board unanimously voted to allow Mr. Huntoon to talk to Mr. Lawrence and also research the permits and/or licenses associated with Sunnynook Farms.

The board next signed and approved payment of an invoice to Town Counsels Perry, Hicks, Crotty and Mitchell in the amount of \$3,964.50 and also approved renewal of an Automatic Amusement Permit to Outdoor World. Selectman Ryan wanted to know why the fee for the permit was pro-rated and asked if they could

Under incoming correspondence the board received payment in lieu of taxes in the amount of \$201,533 representing a total of 88,939 tons of refuse collected for the month of June.

Claude Miquelle, Susan Adams, and Kathleen McAuliffe all submitted letters expressing interest in serving on the Rochester Historic District Commission. Chairman Cutler agreed to place these letters on file and asked that a folder be created to place all future incoming letters of interest.

Town Accountant Claudette Coutu next sent an inquiry to the board regarding the clothing allowance for the Police Department. "My understanding is the existing contract remains in force until a new contract is signed," Chairman Cutler said. With that, the board unanimously voted to keep the current \$375 allowance in place until a new contract is negotiated and approved for the Police Department.

Under the Executive Secretary's report, Mr. Huntoon advised that Town Accountant Claudette Coutu is going on vacation for one week in August and the board needs to appoint a temporary Town Accountant to sign the warrants in her absence. The board unanimously voted to appoint Assistant Town Clerk Lorraine McCombe as the temporary Town Accountant for the week of August 19 through 27, with Selectman Parker abstaining.

Chairman Cutler noted that a public hearing on the transfer of MediaOne cable services to AT&T will be held on August 5 at 7:00 pm in New Bedford.

Chairman Cutler also noted that he was recently elected President of the emPOWERment coalition and noted that Freetown has backed out of the group. He also

reported that electricity rates are rising much faster than anticipated, which is putting pressure on them to find a provider.

Ms. Lafreniere wanted to publicly thank Highway Surveyor Jeff Eldridge and the members of his Highway Department for assisting in moving air conditioners around Town Hall last week. The Town Hall Conference Room now has a central air conditioning unit installed and Mr. Eldridge was "very cooperative" in relocating some of the portable units, according to Ms. Lafreniere. She said she would be sending Certificates of Appreciation to him and his crew.

Both Selectman Parker and Selectman Ryan said they had concerns about appointing Police Chief Walter Denham and Chief Dispatcher Kathy O'Brien to the Police/Communications Building Committee as full, voting members.

"I think they might be too vested in the plan that's been proposed," Selectman Parker said.

"I have no problem with them being on the committee in an advisory position," Selectman Ryan agreed.

Chairman Cutler noted that they've appointed seven people to the committee, so both Chief Denham and Ms. O'Brien could remain on as non-voting members, leaving a five-member committee.

With that, the board voted to change the structure of the Police/Communications Building Committee to have Chief Denham and Ms. O'Brien remain on as advisory, non-voting members. "I have no problem with changing them to voting members later on," Selectman Ryan said. "I just feel at this stage they might be too attached to the (proposed plan)."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:35 pm.

Letter to the Editor

To the Editor:

It has been over a year that the Art from the 1906 Castle on the Hill (Fairhaven High School) has been in hiding due to renovations. One picture has been placed for safe-keeping in the Town Hall. It will soon be rehung in the east wing, second floor, between the original library, just recently dedicated to Mary Battaini and the entrance to the Knipe Auditorium.

It is a large steel engraving of "Sherman's March to the Sea" set in a beautiful gold frame. The question is, who presented this class gift? We know that it was before World War II. This gift should be properly identified by the graduating Class Year. If anyone has information about this print, please call Albert Benac at 992-2994. It is presently on display at the (Fairhaven) Town Hall.

Sincerely,
Albert Benac
Fairhaven

Local Film at Woods Hole

Local filmmaker Brent Lestage's short film *Race* has been selected to screen in the Eighth Annual Woods Hole Film Festival which runs July 31 to August 7. The twenty-minute 16mm film features outstanding debut performances by local actors including Jay Catelli of Dartmouth, David Jenney of Mattapoisett, and Scott Brooks and Ken Vincent also of Dartmouth.

Race, completed in 1997, was shot mostly at area locations in Mattapoisett, New Bedford, Freetown, Rochester and Dartmouth. It tells the story of one man's lifelong struggle to overcome survivor guilt following the tragic loss of his family in the Holocaust.

The film took first place honors at the 1997 Judah H. Magnes Museum's Jewish Film/Video Festival in Berkeley, CA and has had screenings in New York,

TOPSY-TURVY FINANCING

In recent years, the task of financing a new home has turned topsy-turvy. It used to be so simple. You went to the bank to open a checking account then you went to the savings and loan to get a mortgage. Now, because of deregulation, anything goes. You can go either place for checking accounts or mortgages as well as to a mortgage broker.

Even the type of mortgage used to be so simple -- fixed-rate. All you had to compare was the interest rate. Today, so many new mortgages have flooded the market that

the average homebuyer has trouble making sense of their acronyms. After hearing about ARMs, SAMs, GPAMs, PLAMs and RAMs (to name a few), you'd think you were hearing a list of Russian missile systems.

It makes sense to start by seeking help from our office. Our job is to, not only sell homes, but see that they are financed properly. We will have a good feel as to what is available and best in your situation.

family at the North Fairhaven Improvement Association's Annual Fun Fair, Car Show, and Cow Chip Contest. This year's fair will be held on Sunday, August 8 from 10:00 am to 4:00 pm at Livesey Park on Glenhaven Avenue. Arts and crafts booths, antique booths, and some entertaining demonstrations on stage are part of the lineup of attractions. Food and beverages will be available all day.

The "Made in the Shade Car Show" will feature 125 to 150 antique and classic vehicles on display for judging, with trophies being awarded in several categories. The car show is set up in the tree-shaded northeast corner of the park. In addition, a motorcycle show will be featured.

For the children there will be game booths such as flying saucer throw, bean bag throw, "tic-tac-toe," and other games for all levels of skill. A dunk tank, moon walk, and a series of old-fashioned field events, such as tug-o-war, sack races, and "wheelbarrow" races will also be featured.

Entertainment and demonstrations will take place throughout the day. Public safety equipment, including fire trucks, police and emergency management vehicles, and display's by the region's safety and law enforcement officials will occupy a section of the park as well.

The Cow Chip Contest is a fund-raising event in which fair goers "purchase" a small square of land in a marked-off field. A well-fed cow is allowed to roam the area. A total of \$1,000 in prize money will be awarded to the owners of real estate upon which the cow chips fall. Cow chip contest tickets cost \$5 for one square yard of the cow field and are available for sale now from the NFIA. Remaining tickets will be sold on the day of the contest.

The Family Fun Fair benefits the North Fairhaven Improvement Association which undertakes projects to enhance the community, such as raising funds for the Livesey Skate Park, planting flower beds at Benoit Square, sponsoring a walking tour of North Fairhaven, and holding an annual Easter Egg Hunt, Halloween Parade, and a Christmas Singalong at Benoit Square. The NFIA also acts as curator to the Old Stone Schoolhouse, an 1828 school on North Street that's open to the public Wednesday and Friday afternoons during July and August. Besides a planned expansion of the popular skateboard park, the association is now considering the restoration of the old North Fairhaven Fire Station for use as its meeting place.

MOVIE REVIEW

Ghost Busted

BY ROB GONSALVES

local@wanderer.com

■ **The Haunting.** Starring Lili Taylor, Liam Neeson, and Catherine Zeta-Jones. Directed by Jan De Bont. Running time: 115 minutes. MPAA rating: PG-13. At Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

Some of my brothers and sisters in the movie-reviewer community were perhaps a bit hasty when they crowned *Wild Wild West* the summer's worst film. Obviously they had not yet seen *The Haunting*, a needless remake of a solid (if a bit stiff) chiller from 1963. Both films are derived from an acknowledged classic of horror fiction — Shirley Jackson's *The Haunting of Hill House* — yet the new film deviates so sharply, and so stupidly, from Jackson's simple and elegant story that the end credit mentioning her book is the final insult to her memory.

The premise is butchered right from the start. Liam Neeson, playing a psychologist rechristened "Dr. Peter Marrow," lures three insomniacs to the ornate old Hill House with him, to see if anything happens. One wonders what the new doctor hopes to do to evoke fear in his subjects. Rattle some chains? Put on a sheet and go "Boo"?

The subjects are Eleanor (Lili Taylor), a quietly frazzled young woman who took care of her ailing mother for years and now can't function in the real world; Theo (Catherine Zeta-Jones), a bisexual fashion plate who swoops around Hill House in new boots from Prada; and Luke (Owen Wilson), whose character was the inheritor of Hill House in earlier incarnations of this story but now has little reason to be there except to wander the halls nervously. Then again, nobody else in the movie has much reason to be there, either.

The best treatment of this material is still Shirley Jackson's dreamy, precise prose, told almost entirely from Eleanor's fraying viewpoint. (Put Sylvia Plath in the spooky halls of the Overlook and you'll have an idea.) Robert Wise's 1963 version was slightly starchy but still admirable in its refusal to show anything, its faith in the

idea that a movie that leaves terror to your imagination is far scarier than anything a Hollywood special-effects team can cook up. Jan De Bont, the former cinematographer turned director who showed promise just a few years ago (*Speed*), has chosen the polar opposite approach, drowning *The Haunting* in rivers of cheesy-looking computer-generated spooks and ghosts.

De Bont's lowest-common-denominator method is nothing compared to that of the new screenwriter, David Self, who feels compelled to give Hill House a banal backstory about a vicious tyrant who built it using child laborers. Self compounds this error by linking Eleanor to the tyrant, invalidating the idea of the *real* haunting — Eleanor's guilt over her dead mother — and rendering the movie pointless.

When you're not yawning at the digital ghosts, you're watching a cast of fine actors dogpaddling in clichés and terrible dialogue. And since Jan De Bont fills the soundtrack with thundering bass noises meant to terrify us, we can't even enjoy the movie as a retro, cheeseball haunted-house flick — the tone is too heavy. The difference between the minimalist scares of the 1963 film (well-timed thumps in the night that didn't assault us in Dolby Surround Sound) and the new remake, with its theme-park demons that produce mostly snickers, is further testament to how far Hollywood has fallen. Anyone with enough money can employ state-of-the-art visual and sound effects; it takes genuine artistry not to *need* them. The much-buzzed-about *Blair Witch Project*, soon to get a wide release, probably comes closer to the spirit of the original *Haunting* than this overproduced, overblown remake.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Watch out. You will have to prove you know what you're talking about. If you do, you may get a raise in pay.

Taurus (April 20-May 20). Let your family know you may be late for dinner. Travel may take longer than expected. You may have to pay close attention to your job, and that could conflict with your private life.

Gemini (May 21-June 21). You'll be a strong leader. Use that new confidence to get through a tricky business deal. A secret friend will also help. Foreign contacts prove most interesting, and maybe even lucrative.

Cancer (June 22-July 22). Toss the ball to a partner. He or she has a better chance of making the shot than you do. Pay attention to the facts. That will give you the edge in the negotiations.

Leo (July 23-Aug. 22). The sun's in your sign, which gives you a great advantage. There could be complications, however. Take care of details, and everything should work out fine.

Virgo (Aug. 23-Sept. 22). A demanding person could cramp your style, but you might find more time for love anyway. The workload starts to increase, and you have hardly a moment for yourself or anyone else.

Libra (Sept. 23-Oct. 23). Stick close to home, even if you get a good offer. Those will keep coming in all week, so get domestic chores done first.

Scorpio (Oct. 24-Nov. 21). You'll have all sorts of dilemmas to deal with. Your chances of success improve if you have a Taurus on your side.

Sagittarius (Nov. 22-Dec. 21). Count your money and find ways to bring in more. You'll find lots of ways to spend it, mostly on educational expenses.

Capricorn (Dec. 22-Jan. 19). Save time for a dear friend who needs a little consolation. You can provide the shoulder and the good advice.

Aquarius (Jan. 20-Feb. 18). Finish old obligations and chores. You won't have time later. You're locked in tough competition, and you might even win.

Pisces (Feb. 19-March 20). Heed an older friend's advice to improve a skill you're learning. Finish up paperwork and get several messes untangled once and for all.

If You're Having a Birthday This Week: Work is your theme — and polishing your skills. Become an expert. The competition is fierce, so pay attention.

THE WORD GUY

Do you know what words are represented by the letters in these common terms?

1) Rx 2) Y2K 3) K (strikeout) 4) K ration 5) T (as in "fit to a T") 6) K-2 (mountain) 7) W or K (first letter of broadcast station call letters)

Answers:

1) "Rx" is an abbreviation for the Latin word "recipe," the imperative form of "recipere," to take. Hence, "Rx" means "take this prescription." The slash through the "R," represented by an "x" in type, indicates "R" is an abbreviation.

2) "Y2K" stands for "Year 2000." The "K" represents "kilo," the Greek-derived prefix for "a thousand."

3) According to Paul Dickson's "Baseball Dictionary," "K" was first used as a shorthand symbol for "strike" by a 19th-century baseball scorer, but no one knows who was first (or should that be, "Who's on first?"). It was either Henry Chadwick (who said he chose "K" because it was the prominent letter of the word "strike"), or M. J. Kelly of the New York Herald.

4) "K" ration, meaning an individual field ration for U.S. armed forces, was named for Ancel Benjamin Keys, the American physiologist who cooked up the idea.

5) "T" stands for "title," meaning "a very small part."

6) This mountain is called "K-2" because it was the second peak to be measured in the Karakoram Range in Asia.

7) As Bill Bryson explains in his book "Made in America," a 1912 international convention in London assigned the letters "A," "N," "W" and "K" to the United States for its radio stations. The U.S. government reserved "A" and "N" for the army and navy, respectively, and gave "W" and "K" to private stations. "W" is generally used by stations east of the Mississippi (WCBS) and "K" by stations west of the Mississippi (KCBS).

As Bryson notes, call letters of many early stations often stood for slogans or businesses. WGN, for instance, owned by the Chicago Tribune, stands for ("World's Greatest Newspaper"), while WIOD in Miami stands for "Wonderful Island of Dreams" and WTIC in Hartford, Conn., for "Travelers Insurance Company," which once owned the station.

Oceans and Fountains

A two-person show will open at the Marion Art Center on Friday, July 30. There will be a reception from 6:00 to 8:00 pm to meet featured artists Helen Sturges Nadler and Nancy Gaucher-Thomas. The title of the exhibition is "Ocean Paintings," watercolors by Helen Sturges Nadler, and "Fountains, Vessels and Urns" by Nancy Gaucher-Thomas. Both artists currently live in Rhode Island and teach at colleges and schools in the area.

Ms. Nadler graduated from Mount Holyoke College and received an MAT from Wesleyan University and an MA in art therapy from the University of New Mexico. She also has a studio in Albuquerque in addition to one in Tiverton, RI. She studied with Arthur Robbins at Pratt Institute in New York. She published an article titled "The Value of the Art Experience with Hospitalized Children" in *Children's Health Care Magazine*, and she has worked as an art therapist with both children and adults. She teaches watercolor at Rhode Island School of Design and has had numerous exhibitions throughout the United States and will participate in the *Biennale Internazionale Dell'Art Contemporanea* in Florence, Italy in December of

Ms. Gaucher-Thomas will exhibit watercolors and drawings in a series titled "Fountains, Vessels and Urns." This award-winning artist is well-known in the New England area for her strong approach to the medium of watercolor. She exhibits her work nationally and has shown, among others, at the National Arts Club and Salmagundi Club, both in New York City. She holds artist memberships in the National Association of Women Artists and the American Artists Professional League and is a signature member of the Northeast Watercolor Society. She is listed in *Who's Who in American Art*.

Ms. Gaucher-Thomas said: "My goal is to say as much as I can about my subject without saying it all, so

that it leaves the viewer to become an integral part of the painting ... Much more than technique, it is how we interpret our own personal vision through our medium that elevates an ordinary subject into a work of art ... I go to great lengths to push the medium in directions that may not be considered characteristic to traditional watercolors."

The two-person show will run through August 25. The galleries at the Marion Art Center are open to the public Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. The Marion Art Center is located at the corner of Main and Pleasant Streets in Marion. Admission is FREE.

St. Joseph's Golf Tournament

Saint Joseph's School in Fairhaven will be holding its Second Annual Golf Tournament on Saturday, August 7 at the Lakeville Country Club, 44 Clear Pond Road in Lakeville. Beginning tee time is 11:00 am. Sign up as singles, doubles, or foursomes. Price is \$75 per person, which includes greens fees, carts and a great hot and cold buffet served after golf. If you do not play golf and would like to join the fun, buffet tickets are also available for \$15 per person.

Saint Joseph's School — like most small schools — is trying to find alternative means to raise funds to offset increasing operational and educational expenses. The school relies on tuition, donations and fund-raising sources ... they do not receive any other funding. The Golf Tournament seems to be a fun way of helping to achieve their financial goal.

If you would like to sponsor Saint Joseph's School or would like to play (or both), please send your tax-deductible donation to: Saint Joseph's School, Golf Tournament, 100 Spring Street, Fairhaven, MA 02719. For more information, please call Cathy Melanson, Development Director, at 996-1983.
